SUNSET KNOLLS SHORTHORN DISPERSION SALE

General Information

Time and Place – This sale will be held in the Knoxville, Illinois Sale Pavilion on Thursday, March 10. It will start promptly at 12:30 p.m.

Location – Knoxville is located just 6 miles due East of Galesburg on Federal Highway 150 and may be reached on pavement from every direction. Frequent busses run from Galesburg which is on the main line of the Burlington and Santa Fe Railroads.

Terms – The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for unborn calves sold in dam.

Footnotes in this catalog were written by the owner or written from information furnished by him.

The sale manager was hired for specific tasks, promotional and clerical. He has no connection with the handling of the cattle or the condition of the premises. Neither he, the auctioneers, nor clerk assumes any liability for accidents.

Everything will be done to provide for the safety and comfort of the guests, but the owners assume no liability for accidents that may occur.

The above terms and conditions shall constitute a contract between the owner and buyer of each animal sold.

Health – All cattle are sold subject to a 60 day retest of Tuberculosis and health certificates will be furnished to enable them to be transported properly. All cattle have been blood tested for Bang's Disease within 30 days of the date of this sale, with the exception of certain animals that are calfhood vaccinated and have not yet reached 30 months of age.

Mail Bids – Those wishing to buy in this sale, who cannot be present, may send their bids to the Sale Manager, Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Illinois; Clem Larson, American Shorthorn Breeders' Ass'n, Callender, Iowa; or to the auctioneer.

Auctioneer – J. E. Halsey, Des Moines, Iowa.

PLEASE NOTE – Since this is a complete dispersion the cattle will be sold without guarantees. We will be happy to give you all the information we know about these cattle. Most of them were raised on our farm or have been there a number of years.

THE SUNSET KNOLLS herd was established by William E. Carter as a club project for his son "Buster" Carter, who has since developed a wide acquaintance as a showman and competitor in the strongest shows. Wherever Sunset Knolls cattle were exhibited, they brought out entries to be reckoned with. Now that he is leaving the farm, it has become necessary to completely disperse the herd.

This is no ordinary herd with an ordinary record. Where else can a herd bull be purchased that has produced two International reserve grand champion bulls? How many opportunities will you have to buy dams, half brothers, and sisters to bulls with such records?

This herd was never intended to be large. There was no point in keeping a cow that didn't produce a good calf every year. Because of the size of the offering, some people may overlook it. This looks like a real opportunity to buy the right kind at the right price.

Don Longley
Sale Manager

SUNSET KNOLLS SHORTHORN DISPERSION SALE

Marellbar Umpire, as he looked when he was purchased by W. E. Carter & Son at Fort Worth in 1951 for \$1625. He was the first prize junior bull calf at Fort Worth and Denver that year and at many leading fairs the previous fall. He is the sire of the 1953 and 1954 International reserve grand champion bulls.
